FINANCIAL REPORTING CONSULTING AND FINANCIAL STATEMENTS PREPARATION SERVICES

Accounting and Bookkeeping Services
Providing financial information to their clients in a timely and accurate manner is a commitment that K. Treppides & Co Ltd feel cannot be compromised.

Meaningful, well-organised financial records ensure that all business operations run more efficiently on a daily basis.

Accounting services offered by K. Treppides & Co Ltd include:

- General ledger and financial statement preparation
- Bookkeeping (Monthly/Quarterly/Annually)
- Accounting system setup for new businesses

Cash Flow and Budget Analysis

Good cash management can improve a company's liquidity, reduce costs, and increase profitability. K. Treppides & Co Ltd helps businesses to maintain optimal cash flow levels by tracking sources and uses and forecasting and budgeting accordingly. The firm also analyses company spending and rebalances its budget and/or debts for an optimal cash flow to support its success. This plan is monitored so that if and when there are any major changes to a business' structure, clients can rest assured that all operations will continue at an optimal level. With K. Treppides & Co Ltd's help and guidance, businesses will always remain afloat of their finances and equipped for the future.

Accounting Software Selection and Implementation Consulting Services

With the number of computerized accounting software packages available for businesses of all sizes and growing daily, selecting one that is right for each individual business has become increasingly difficult. As accounting professionals, K. Treppides & Co Ltd are exposed to most programs through trade journals and actual use. Their experienced staff can help businesses to choose and implement a system that best fits their individual needs. However, no accounting package can be operated properly without sufficient understanding of its features and functionality. It is a must for proper business management to complete the setup and installation properly. K. Treppides & Co Ltd works closely with each of its clients to train them and provide ongoing assistance with their accounting software.

Accounting for Investments Firms Services offered by K. Treppides & Co Ltd are:

- Maintain the general ledger and proper books in accordance with International Financial Reporting Standards (IFRS) and the applicable law and regulations in each jurisdiction
- Monitor and communicate with the Company's management regarding any "large exposures" that may come to light whilst updating accounting records
- Prepare management accounts, including monthly reconciliation of the bank accounts and analysis of receipts and payments
- Provide assistance to the appointed auditors of the Company in performing the annual statutory audit in an effective and value-added manner.

In the process, the timing of the audit, the correspondence with the auditors, the financial statements of the Company and the relevant supporting documentation are provided in order to assist the auditors for effective performance of the audit

- Assist the Company's management with regards to the client reconciliation process between platform reports and Payment Services Providers (PSPs)

In addition, expert consulting and advice is provided to clients that would like to consider the accounting treatment on future transactions and impact on regulatory reporting.

FINANCIAL STATEMENTS PREPARATION

Financial statements preparation services are available to companies that would like their accounting service provider to prepare the financial statements of the Company in accordance with the IFRSs and to assist the auditors of the Company.

IFRS ADVICE DESK

When adopting an accounting policy or performing a specific accounting transaction, advice on the accounting treatment of various transactions and on the impact of the financial statements of the company can be provided.

INTERNATIONAL COMPLIANCE and ADVISORY SERVICES (i-CAS)

Authorization Advisory Services

Over the last 20 years, K. Treppides & Co Ltd has accumulated a wealth of experience in servicing international investment and financial services companies and regulated industries. As a leading advisory firm in the evolution of Cyprus' financial services, K. Treppides & Co Ltd adds value to many business projects in a wide range of financially-related areas, thus enhancing an organization's credibility within the regulated markets.

K. Treppides & Co Ltd provides:

- Advice on the optimal structure to satisfy regulator's requirements and apply for a license for EU and non-EU based Investment Firms, Investment Funds, Payment and Electronic Money Institutions, Gaming, Corporate / Administration Service Providers, Financial Institutions, Insurance Companies and

Banks.

- Advice on the current regulatory framework, the procedures required and the market practices in each case based on their experience of the unique way each market participant operates.
- Consultancy concerning the post license requirements, ensuring compliance with the regulatory requirements and establishing a relationship of trust with the regulators.
- Advisory services concerning the regulatory and financial aspect for acquisition/merger of investment firms.
- Advice on how to expand the license, apply for a branch or a representative office, apply for a tied agent or for new licenses in EU and non-EU countries such as the UK, Malta, Cyprus, Russia, Greece, South Africa, Australia, Ireland, Gibraltar, Belize, BVI, Mauritius, Seychelles, Cayman Islands, Bermuda, New Zealand, Vanuatu, Labuan, Singapore, Luxembourg, Hong Kong, Isle of Man, St. Vincent.

Internal Audit Services

K. Treppides & Co Ltd specializes in providing internal audit services dedicated to regulated entities such as:

- Investment Firms
- Investment Funds
- Payment Institutions
- Electronic Money Institutions
- Banks
- Insurance Companies

Over the years the company has gained significant experience in the internal audit and advisory services of governmental entities such as Municipalities and Quasi-Governmental Organizations.

The range of internal audit services includes the outsourcing of the internal audit function, independent review of the control and compliance procedures followed by entities and specialized consultations and trainings.

Compliance Support Consulting and Advisory Services

In a financial world that is continually evolving based on compliance with regulations, K. Treppides & Co Ltd provides compliance support services as follows:

- Compliance support and advisory services to international regulated entities (Investment Firms, Investment Funds, AIFMs, Payment Institutions, Electronic Money Institutions, inter alia) that aim for tailored compliance support services and professional advice in relation to laws, rules and regulation.
- Compliance support and advisory services designed to help regulated firms remain compliant and meet specific regulatory requirements.
- Compliance support services as defined by the EU Markets in Financial Instruments Directive and Relevant Regulation (MIFID, MIFID II and MIFIR), Basel II and III, Capital Requirements Directive IV and Regulation (CRDIV and CRR), the European Markets Infrastructure Regulation (EMIR), Payment Services Directive (PSD 2), the Foreign Account Tax Compliance Act (FATCA), the Alternative Investment Fund Managers Directive (AIFMD) and Anti-Money Laundering Legislation.
- Compliance health check (full or partial) to assess compliance levels and to recommend and/or assist with the implementation of an action plan to ensure full compliance with the relevant legal framework.
- Advice on compliance procedures and communication that enhances the relationship with regulators and builds a relationship of trust and credibility.
- AML compliance services.

Risk Management Consulting Services

K. Treppides & Co Ltd is committed to providing services to companies that aim to stay on track and proactively deal with risks that could potentially impact their day-to-day operations. Services offered by K. Treppides & Co Ltd contribute towards the realization of companies' strategic goals in an environment of constantly evolving risks and regulations.

K. Treppides & Co Ltd has extensive and substantial knowledge and expertise in the field of risk management with emphasis on regulatory compliance. This knowledge is in-depth and has evolved from services provided to Investment Firms, Investment Banks, Electronic Money Institutions and Payment Institutions.

The dedicated team of professionals at K. Treppides & Co Ltd provides dynamic risk management services including:

- Internal Capital Adequacy Assessment Process (ICAAP) and assistance on a supervisory review
- Regulatory risk compliance
- Capital Requirements Regulation (CRR) and Directive (CRDIV)
- European Market Infrastructure Regulation (EMIR)
- Markets in Financial Instruments Regulation (MiFIR) and Directive (MiFID II)
- Enterprise Risk Management Consulting

K. Treppides & Co Ltd is proud to announce the availability of automated solutions for all of the above services. These solutions advance risk management advice and enable financial services companies to act independently and without the need to outsource the monitoring and reporting of the risk management regulated report requirements.

Regulation and Advisory Services

No matter the challenge, K. Treppides & Co Ltd focuses on:

- Delivering practical and enduring consulting regarding any aspect of regulation surrounding companies, ranging from Companies Law, Taxation Law, Investment Firms Law, Payment Services Law, Investment Funds Law across EU and/or Non-EU Jurisdictions and regulations.
- Providing advice on industry best practices that can assist the market participants to be at the forefront of client service and protection.
- Resolving regulated compliance issues that a financial services firm may offer, by analyzing and identifying the source that generated the compliance irregularly and implementing a tailor-made schedule to resolve any compliance issues related to irregularity.

Corporate Structuring Consulting Services

K. Treppides & Co Ltd offers a broad scope of services across all industries in relation to Valuations (of inter alia Entities Domains, and Real Estate).

Services offered by K. Treppides & Co Ltd include:

- Examination of operations and financial performance of each client
- Preparation of customized valuation models
- Generating the value of the entity via numerous methods (which include among others Discounted Cash Flow, Transaction Multiples and Trading Multiples)
- Preparation of Valuation Reports
