EIOPA

EU financial regulators assess risks to the financial sector after the outbreak of COVID-19 and call for enhanced cooperation

22 September 2020

"The three European Supervisory Authorities (EBA, European Insurance and Occupational Pensions Authority ("EIOPA") and ESMA - "ESAs") have issued their first joint risk assessment Report of the financial sector since the outbreak of the COVID-19 pandemic. The Report highlights how the pandemic has led to further amplified profitability concerns across the board and heightened liquidity challenges in segments of the investment fund sector. It particularly points to economic and market uncertainty as a key challenge going forward." For more information please press [here](#).

Oil-product inventory suggests recovery could be a lengthy wait

24 September 2020

"Rising oil-product inventories signal lasting energy demand weakness, which may keep a \$40 lid on the oil price. A synchronized jump in road-fuel inventories in major markets could suggest that a demand uptick after June driven by restocking activities may have run its course, evident in Asia's sub-zero refining margin."
