

The Cyprus Chamber of Commerce and Industry, Cyprus Russian Business Association and K. Treppides & Co Ltd have the pleasure to invite you to the half - day conference with the subject:

“Funds & Cryptocurrencies: The Development and the Technology”

Four Seasons Hotel
Limassol
Cyprus

Thursday 14 June 2018
9:00am - 15:00pm

Purpose

In an attempt to cope with the technology evolution in the Financial Market, the purpose of this seminar is to inform the participants how the Investments Funds in Cyprus can be used as favorable vehicles to accommodate these developments as well as the exposures surrounding such vehicles. The Cyprus and Exchange Commission (CySEC) is the independent public supervisory authority responsible for the supervision of the investment funds. During the conference experts in the Fund Sector as well as the Cryptocurrency market will provide an overview and their personal experience running their Fund Business through Cyprus.

The main subjects which will be discussed, focus on:

- a) The Regulator
- b) Developments in Cyprus Funds Industry
- c) Fund Structures
- d) Tax Environment
- e) Personal Experience of perspectives dealing with Funds and Cryptocurrencies

Participation fee is Euro130 (including VAT) and it is not refundable.

Kindly RSVP by June 8th 2018 to Mrs. Stavroula Christodoulidou by sending the duly completed participation form along with the proof of payment.
